Original Garden Doors - The Look of Distinction

If you are looking for that landscape component that offers functionality with distinction, our Garden Doors are probably what you are after...

These doors are made to order by our in-house craftsmen. We have complete control over the quality and design. We use only Clear Redwood or Cedar and use weather resistant fasteners and glues. Our doors are constructed specifically to minimize the amount of exposed fasteners.

Because we build these doors to order, we can offer the following:
